## SCHOOL OF CURCH MUSIC & WORSHIP

“Nothing is impossible with God”  
News Letter 2011

**Dear Brothers & Sisters in Christ,**

In the midst of Persecution, Terrorism, Suicide bomb blasts and *impossible* economic turmoil in Pakistan we thank God for these extraordinary years of ministry.

We are amazed for TSCM dynamic start of 2011 with the long waited NCCMW (National Consultation on Church Music & Worship) “Using Music & Creative Arts in Worship & Mission “on Feb 15-19,2011 at Gujranwala Theological Seminary & Christ the King Seminary in Pakistan.

Ron Man (USA) & Joseph Lee from Singapore were guest speakers for this great breakthrough .NCCMW challenged and inspired theological institutions & church bodies to start a course on Worship & Music for the renewal & reformation of Worship in Islamic context.

### Worship & Music Course:

It's really a great achievement and history in Pakistan to start a two week course at AGBS Bible School in Quetta city of Baluchistan. There were more than 25 students from across the Pakistan who learned about worship & music. I've been invited to teach this course and also challenged worship community in Quetta to pray & work for this movement.

### Teachers Training & Children Festival:

We also estimate that our work with children workers in local churches impacted over thousands children in Karachi city and across the Pakistan through our two albums of Children songs. This is a small number compared to billions kids who need Jesus Christ . TSCM is committed to working with local churches in Pakistan to share God's love with Children & Youth also so they too can experience a transformed life with Christ. TSCM desk of Children Workers Network (CWN) facilitated “Train the Trainers” three days course in August 11-13,2011 & organized “Children Festival” on August 14,2011 to reach Kids for Christ.

### **Next Step for Tehillim:**

Teaching seminar in Islamabad city was a tremendous breakthrough for church leaders & worship community and hopefully TSCM starting it's branches with the partnership of local churches in North Western areas.

### **Prayer Concern for Next Quarter:**

- Third children song album “Parables & Miracles” of Christ is in process and hopefully will finalized this year.
- Tehillim’s Annual Punjabi Zubor (Psalm) festival DVD will be released at 9<sup>th</sup> Annual Zubor Festival in October,2011.It will be followed by teaching seminar on “Importance of Psalms in Christian Worship”.
- Tehillim’s stories in an upcoming publication entitled, *Worship and Mission for the Global Church: An Ethnodoxology Handbook*. William Carey Library will publish this volume to be completed next year and released at the large URBANA missions conference in December, 2012.

It will be our honor to have you with us in this never ending journey of the service of our Lord as we continue to refine our mission and vision for 2012.

**SALAM!**
